

Title 24 Part 6 Residential Standards

Geary Pacific Supply

Join Us for this Important Training

Presented by Bruce Cheney of Energy Code Ace

Date: Tuesday, January 15, 2019

Time: 4:00 - 8:00 PM

**Where: Geary Pacific Supply
1200 E Cerritos Ave
Anaheim, CA 92805**

Cost: FREE!! (Dinner provided)

Learn the Essentials:

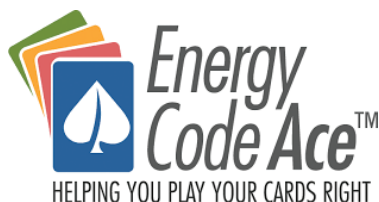

- When do the standards apply to a residential HVAC project and when don't they?
- Which requirements are triggered when you're just changing part of the system?
- When do you need to involve a HERS Rater?
- How do you navigate the HERS registration and verification process?
- What compliance forms will the building department want from you and how do you fill them out?

Register at sce.com/energycenters **Registration Required!**

https://sce-web.ungerboeck.com/coe/coe_p1_all.aspx?oc=10&cc=COURSES

This hands-on, interactive class will help "HVAC contractors stand out from the competition and help their customers stay cool and save money by complying with the new Title 24, Part 6 building energy standards.

Dinner will be provided. Students will receive class materials and electronic media they can use on the job.
